30 Dear Sir:

This Amendment is in response to the Advisory Action dated December 13, 2004. Because the initial response to the previous Final Office Action was filed within two months of the Final Office Action, the shortened statutory period for responding to the Final Office Action extends to the date of the Advisory Action. Therefore, this Amendment is being submitted with a one month extension fee within the one month period extending from the date of the Advisory Action to January 13, 2005. Please enter the following amendments and remarks.

40 Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this Amendment.
